Window mount

Terratrip fixing bracket for all 202 and 303 models. The brackets comes complete for suction cups window mount, or permanent dashboard fixing.

The bracket is made from aluminium and has a black powder coat finish. The kit has various options. In its basic form you can remove the sun visor and bolt the bracket to your dashboard, adding the sun visor if required. For ease of removal from your car you can fix the bracket to the cars windscreen using the four suction cups. All these items are included with the bracket.
